Principal: Vivianna Trujillo

Grade Span: 9th – 12th

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Table 3: School Description and Mission Statement (School Year 2023–24)

Launched in Fall 2015, Clear Passage Educational Center (CPEC) is a WASC accredited independent study (site-based) charter school using an innovative educational model to support high needs students in grades 9-12.

A Dashboard Alternative School Status (DASS) program, CPEC offers a nurturing yet challenging alternate learning environment for teens who have dropped out of school or are in jeopardy of doing so. Servicing students in Long Beach and its surrounding communities, CPEC's educational program focuses on the unique strengths and needs of each student. Our blended instructional model allows student access to critical educational resources and our flexible scheduling affords students the opportunity to engage in online and on-site learning activities.

CPEC delivers a personalized learning experience for each student. Individualized learning plans (based on each student's strengths and needs) are developed in collaboration with parents and students and reviewed by the lead teacher and student each week. Flexible scheduling affords students greater access to instructors and resources to accomplish their academic goals. Student Success Team meetings, parent conferences and IEP meetings (for students with special needs) are forums that are used to review student progress and recommend adjustments. Our advisory and counseling programs provide a platform for managing student behavior and supporting the development of their social-emotional skills and connections to other students.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Note: The data in this table is based on full-time equivalent (FTE) status. One FTE equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

CPEC currently utilizes a web-based (virtual) curriculum.*Table 12: School Facility Conditions and Planned Improvements**

Maintaining a clean, safe, and orderly campus environment that is characterized by trust, professionalism and high expectations is one of the school's critical success factors.

As part of CPEC's safety initiative, CPEC's COVID-19 Safety Plan was distributed to all stakeholders.

In addition, CPEC's leadership and staff will continue to implement site-based measures including the following:

- Monitoring of the campus on a continual basis by custodial staff.
- Encouraging students to participate in maintaining a clean and sanitary learning environment.
- Maintaining a continual security presence on campus during school hours.
- Implementing a progressive discipline plan that supports a clean and safe school environment.
- Responding in a proactive manner when dealing with student related issues.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessment [CAA] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	0	0	33	34	33	34

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Table 20: Career Technical Education (CTE) Programs (School Year 2022–23)

CPEC implements a blended learning model that supports instructional staff in addressing student differences in learning modalities, cognitive ability and life experiences that impact student learning.

CPEC’s curriculum focuses on courses covering core knowledge and A-G requirements to ensure that students receive a strong foundation of expected skills. CPEC’s curriculum also provides students the opportunity to select elective courses that expose students to various career clusters that include Science, Social Science/Humanities, Law, Visual Arts and Health Science.

CPEC’s College Partnership Program allows students to connect virtually to a network of local area universities and community colleges and interact with institutional staff, students and alums. This platform allows our students to explore their post-secondary career aspirations.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

Table 24: Opportunities for Parental Involvement (School Year 2023–24)

Clear Passage utilizes various outreach devices to establish and strengthen relationships with parents. Given the COVID-19 pandemic and CPEC's School Safety Plan, remote and in-person parent touchpoints are implemented as follows:

- Orientation: New families learn about the mission and vision of the school, the educational approach, and expectations for parent participation.
- Parent/Student/Teacher Conferences: Teachers connect with students and their parents to discuss the student's academic progress and social development.
- Goal Setting Conferences: Goal setting conferences provide parents and students the opportunity to participate in establishing the student's educational master plan.
- Student Success Team Conferences: The school has established a Student Success Team (SST) process which is comprised of parents, teachers, administrators, and other school professionals.
- Articulation sessions are facilitated with local institutions and local agencies.
- Ongoing touchpoints are facilitated with local high schools and colleges.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and

- Chronic Absenteeism
